

***PARLIAMENTARIANS'  
ASSOCIATION OF  
THE TURKISH WORLD***

**TÜRK DÜNYASI  
PARLEMENTERLER DERNEĞİ**

## Presentation

Our association was established in order to strengthen the relationships between Turkish World's and relative communities' parliamentarians, to get opportunity to recognize parliamentarians each other friendly, to improve affairs between our countries in Turkish World, while we strengthening our brotherhood and friendship which is coming from our common history we would like to introduce our cultural diversity.

Parliamentarians' Association of Turkish World, aims to contribute cultural and economic affairs in the related countries, with, primarily Turkish World and relative communities furthermore with the countries which we shared collective history in the other regions around the common values, respect, brotherhood, friendship, cooperation and solidarity.

Our Association, has been carrying out projects which are being firstly human centric, responsible of the environment and to be an answer of current situations and future's. PATW has settled its works on these values.

Our Association's political perspective is based on the political principals of our history besides decorating with contemporary world's requirements, contemplating with academic community and supporting with moral values of our country in order to educate new generation politicians which will be our shining sun of us in the future.

We also aim to transfer, the valuable experiences of our politicians to the young generations in our protective structure for young descendants.

Our Association aims to contributing to dominate the understanding of "unity of language, idea and business" which is common basis of Turkish World.

With this purpose, we aim to organize national and international symposium, meetings and congress with participating from Turkish World and relative communities' academic personals. We completely believe that we will achieve bigger project with the power which is taken from you.

Our activity area is especially, all Turkish-Islamic area from Kashgar to Andalusia. In immense Turkish-Islamic geography, Turkish World is a way of getting wealth with sharing, protecting Turkish noble people's each others, getting together almost 400 million people and embracing tens of people who are speaking in same language. In that case we are, as a responsibility of carrying of Turkish World in our title, we have to be exertive in order to transmit Turkish universe's moral wealth, common values, Turkish language and its literature, historical and cultural heritage of Turkish World to the young generations.

We would like to express our pleasure to everyone who contribute that the Association to reach today in international area as representative of common Turkish culture, history and policy.

We should state that clearly, Parliamentarians of the Turkish World aims to carry out mutual projects with the awareness of globalism not only Turkish World but also with the other country's parliamentarians, NGO, universities, public establishment, international donation institutions.

We would like to thank initially, our member parliamentarians and all institutions and establishments, persons, NGOs and press, while we underlining that you can follow the events program in our website, we would like to inform you that we will be happy to hear your valuable opinions and proposals.

We will submit our respect and sympathy to all you.

**Nail ÇELEBİ**  
**The President**  
21. Term Deputy of Trabzon

## About Us

As a most dynamic actor of international agenda, Non-Governmental Organizations (NGO), have been achieving many innovations in the last quarter century. In our country, NGOs has shouldered important and functional missions in order to express social requirements, creating solutions and projecting, especially in the European Union Membership Process. The NGO concept has got very different context which is defining from democratic political movements to advocacy groups.

Associations, certainly, has been a pioneer of positive improvements for not only development in every single village in Anatolia but also bigger and urban, regional operations. In fact, these establishments' achievements are just possible with increasing practical and theoretical equipments, following the International NGO's activities, internalizing of every single innovation and improvement and coping with European NGOs. Moreover, our NGOs need to cooperation and communication in order to establish a synergetic atmosphere besides being more effective and active in their own fields.

PATW has established being aware of this sense and approach an important mission in 11th of March in 2013. PATW's priorities, in order to activating civil societies' activities and increasing its quality, are supporting those associations' activities and their organizations in our country, introducing, creating trustable establishment which is acting volunteer activities.

In this context, as a vision, PATW has adopted to benefit for humanity and Turkish World, especially, strengthening the relationships Turkish World's and relative communities' parliamentarians and to know the parliamentarians each other closely, besides increasing economic and political affairs between our countries and contributing to introduce cultural diversity which is coming from our common history, furthermore, with utility around our common values, respect, brotherhood and improving solidarity, PATW aims to contribute economic and political relationships with the council which is consist of parliamentarians of every political party in the Grand National Assembly of Turkey, in order to increase capacity of associations and to convert their capacities to benefit for civil society.

## Mission
